## Experts in topical anesthetics for over 100 years

800.321.9348 • [www.gebauer.com](http://www.gebauer.com)

Gebauer Company has been supporting  
the medical community for over 100 years.  
From the turn of the 20th century when  
we introduced the first easy-to-use  
pharmaceutical grade ethyl chloride  
to today, medical and physical therapy  
professionals have relied on our expertise  
and experience in topical anesthetics,  
because they know Gebauer is a name  
they can trust.

## Two Guides Are Better Than One!

If you don't own *both*...the *Guide to Physical Therapist Practice, Revised 2<sup>nd</sup> Edition* and the *Interactive Guide to Physical Therapist Practice, With Catalog of Tests and Measures, Version 1.1*, your reference library is simply not complete. By having immediate access to both the print and online versions, you'll have *all* the capabilities you need to research the information you want—when and where you need it.

The interactive *Guide* has an easy-to-use hyperlinked format. It includes:

- More than 1500 references for articles on reliability and validity, hyperlinked to abstracts on MEDLINE's PubMed.
- More than 1000 screens of information about tests and measures, diagnostic classifications, and intervention categories.
- Robust search capability, including searching by keyword and ICD-9-CM codes and the ability to search using multiple terms.
- Downloadable PDF examination and evaluation, and patient satisfaction forms.
